STATEMENT OF SUBSTANCE OF INTERVIEW

Customer Service Window, Mail Stop Amendment
Honorable Commissioner for Patents
U.S. Patent and Trademark Office
Randolph Building, 401 Dulany Street
Alexandria, Virginia 22314

Sir:

An examiner's summary form was mailed on March 10, 2008, stating that applicant is given one month from the mailing date of the form to file a statement of the substance of the interview.

The entire substance of the examiner-initiated interview was a request for approval of a proposed examiner's amendment and a statement of consent by applicant's attorney to the proposal. This is the sum total of everything that happened at the interview. Applicant confirms the accuracy thereof.

It is believed that the wrong form was used to send this interview summary and that no response from applicant is necessary. It is requested that the interview summary record be withdrawn, insofar as it requires any statement from applicant about the substance of the interview or that this be considered as a timely response thereto.

Respectfully submitted,
